The Temporary Capital Too Small—Land Cases for Fraud Dismissed.

Special to the Gazette.

AUSTIN, TEX., Oct. 16.—A rumor that the governor intended to abandon the temporary capitol on account of doubt as to its safety and rent an office in another building, proved incorrect.

He is very much annoyed concerning the reports about the temporary capitol and characterizes them as entirely sensational. The only basis for the reports is that the building is entirely inadequate to the demands of the state authorities and that the next legislature will find it necessary to provide additional room either by rental or building.

In the district court to-day all the land-trust cases of the State vs. W. H. Randolph of the treasury department, which created such a sensation last fall, were dismissed for lack of prosecution.

Chartered: The Protection Hose Company No. 2 of Belton.

The Houston & Texas Central railway and its branches paid in \$850 tax on passenger earnings for the current quarter.

ON CHANGE.

The Stock Markets Loose Yesterday—Provisions Steady—Cotton Easy.

The Grain Markets Fluctuated Considerably, Closing Irregular—The Quotations.

NEW YORK, Oct. 16.—Governments strong Railways lower.

State securities quiet.

Speculation opened irregular but shortly after a sharp raid was made on Vanderbilt, which broke to 80¢ for Canada Southern, 2 for Lake Shore to 78¢, 3¢ for New York Central to 95¢. Selling was dull owing to the fact that the Canada Southern and Michigan Central had just barely earned the fixed charges for two months of 1884. A reduction in the west-bound passenger rates accelerated a decline. The further statement that the West Shore would sell tickets at 1 per cent. per mile led to sales. The general list continued until the close, when there was a rally of 4 to 1½ per cent. Lackawanna rising to 100¢, Northwestern to 85¢, Lake Shore to 74, Pacific Mail to 55¢, and Union Pacific to 55¢. Compared with last night's closing prices were 5½¢ higher for Central, Lackawanna, Delaware & Hudson and Louisville & Nashville, and 4 to 5¢ lower for Canada Southern, Quincy, Northern, Lake Shore and Michigan Central, Kansas & Texas, Missouri Pacific, Western Union, Texas & Pacific, St. Paul, Northern Pacific and Pacific Mail were unchanged. Transactions, 215,000 shares.
